

N1C Annual Meeting 2025

Individual Journeys, Shared Discoveries:

Partnering for Progress in Individualized Medicines

Sponsorship Prospectus

Founded in 2021 as a US based 501(c)3 not for profit corporation, the N=1 Collaborative is dedicated to advancing the development of individualized medicines for rare diseases through a global collaborative rooted in knowledge and data sharing.

The N1C Annual Meeting will serve as a forum for dialogue, knowledge transfer and building of collaborative relationships among drug rare disease and individualized medicine stakeholders within industry, academia, and patient communities.

The Annual Meeting is open to anyone interested or involved in rare disease and individualized medicine.
